

STUDENT HEALTH POLICY

The Rift Valley Academy cares for the students' health needs while they are enrolled and present at the Academy or involved off-campus in its programs.

The parent(s) assign(s) to the Rift Valley Academy Principal or other Academy Administrator the authority to make the decision that medical treatment or health care is necessary for their child(ren) and to sign on behalf of the parent(s) for any such treatment and/or care.

I/We agree with the policy stated above and authorize the Principal or other administrators of the Rift Valley Academy to sign on my/our behalf.
